Recognised Development Expenditure (RDE) is the annual eligible expenditure of a Non-Government Organisation (NGO), using contributions from the Australian community. Eligible contributions include donations of cash, gifts-in-kind and volunteer services. Up to half of the RDE can be from eligible gifts-in-kind and/or eligible volunteer services.

In the context of Educating The Future, we have recorded, using a timesheet system, volunteer hours attributed to Timorese Programs for the financial year. Each eligible volunteer has been assigned to the DFAT Enterprise Agreement job description based on their contributions to Timor-Leste Programs. The relevant job description is linked to an Annual Rate in which the recorded volunteer hours are multiplied by. The logged hours are multiplied by the rate of pay table specified by the DFAT Enterprise Agreement in the ANCP RDE Explanatory notes on page 10. Educating The Future has awarded the lowest annual rate of each job description relevant to the respective volunteer.

The final 'salary' calculation forms the 'Non-Monetary Revenue and Expenditure' figures evident in the Statement of Profit and Loss and other Comprehensive Income. Educating The Future has recorded and accounted for this figure in line with ACFID's Mandatory Guidance on Financial Reporting.

**Note 4 - Calculation of Community Education and Fundraising costs**

**INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF EDUCATING THE FUTURE AUSTRALIA LIMITED**

**Opinion**

We have audited the financial report of Educating The Future Australia Limited which comprises the statement of financial position as at 30 June 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements and the directors' declaration.

In our opinion, the accompanying financial report of Educating The Future Australia Limited is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2023 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and the Corporations Regulations 2001.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethics Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001 which has been given to the directors of Educating the Future Australia Limited, would be in the same terms if given to the directors as at the time of this auditors report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of the Directors for the Financial Report**

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Corporations Act 2001, and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine in necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the company's financial reporting process.

### **Auditors' Responsibility for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
